## SHOW N' RISE ACCESSORIES

### CASE

A complete 10' unit will fit comfortably in T-oval case.

### PODIUM KIT

Add these Velcro® receptive panels to turn your carrying case into a finished podium for your booth.

## SHED SOME LIGHT ON YOUR DISPLAY!

### LIGHTING & SHELVES

Add lighting and shelving to increase the impact of your exhibit. Our halogen lights attach easily to the Show 'N Rise and our strong molded shelves snap into the display frame with two support brackets. Both options are a great way to showcase products or literature.

## DIGITAL MURAL PANELS

Catch the eye of everyone passing by your trade show booth with digital mural panels. Our digital capabilities produce crystal-clear graphics and photography. You provide the image; we'll provide a stunning trade show booth panel. Finished mural panels are perfect to mount on our line of Show N' Rise Pop-up displays.

**FOR ADDED IMPACT, FINISH OFF YOUR DISPLAY WITH DIGITAL MURAL PANELS.**

## BACKLIT HEADERS

Increase your display's visibility with a backlit header! The display header illuminates your graphic or message for maximum impact. Available in 8' and 10' frames to fit Show 'N Rise pop-up displays. A universal size to fit other manufacturers' displays is also available.

### HEADERS

Use our blank headers to make your own custom imprinted header. Either apply vinyl graphics or digital print and apply to the blank header.

## SHOW N' WRITE

Duo-sides equals double value with these versatile displays. For trade show exhibits you can attach signs, photos or other Visual Graphics to the Velcro® receptive fabric side. Use the Write-On Wipe-Off side to illustrate important points. You can also interchange panels so each side can have a combination of Velcro® receptive fabric and Write-On Wipe-Off surface on the same side. Choose from 6" and 8" tabletop displays, 8" and 10" floor displays and show towers. If space is limited, the compact Presenter has it all in a smaller package.

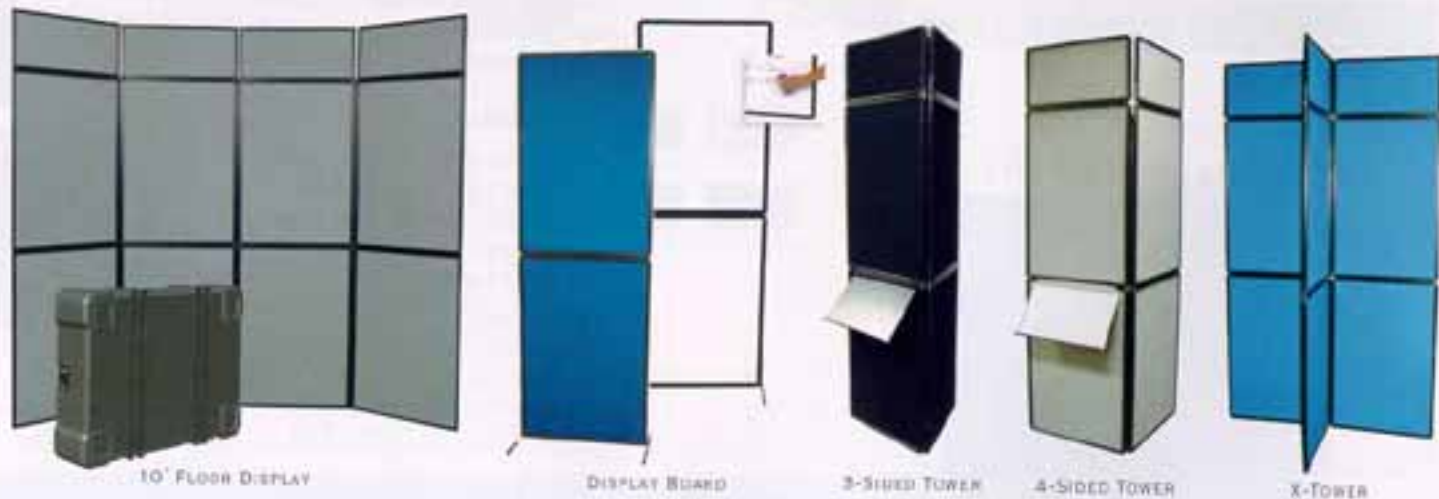

### COLORS AVAILABLE:

## PRESENTER TABLETOP

## 8" & 10" FLOOR MODELS

## SHOW TOWERS

These Show Towers create a dramatic display for company lobbies, meetings, retail environments and trade shows. The Display Board and 3-sided and 4-sided towers feature Velcro® receptive fabric and dry erase panels, and the X-Tower features all fabric panels. Show N' Write accessories like halogen lights and literature shelves displays can also be used to customize a Show Tower. Available in a three-sided and four-sided configuration. The four-sided tower can also be set up in an X configuration.

## SHOW LIGHT

A 100 watt incandescent light that's compatible with all Show N' Write, Presenter, Show N' Fold, Show N' Change and Presto displays. The light includes a bulb and plugs directly into the wall (no separate power source is needed).

## SHOW SHELF

Get more mileage out of your display with a panel display shelf! Use this shelf to display literature, handouts or product information.

Compatible with all Show N' Write, Presenter, Show N' Fold, Show N' Change and Presto displays. Available in black, the shelf is 12" x 21" and displays at a 45° angle.

## ACRYLIC LITERATURE DISPLAYS

Display your organization's literature with style. Simply add some Velcro® receptive disks or tape to the back of the literature display and attach to any of our trade show booths.

WE OFFER THE MOST COMPLETE LINE OF TRADE SHOW DISPLAYS AND ACCESSORIES AVAILABLE.

## A VERSATILE ALTERNATIVE TO THE SHOW N' WRITE!

## SHOW N' FOLD

The Show N' Fold has the Velcro® receptive fabric on both sides of the display. Wow your audiences with this double-sided display.

COLORS AVAILABLE:

INCLUDES FREE SOFT CARRYING CASE!

- PRINT YOUR OWN GRAPHICS AND ATTACH THEM IMMEDIATELY!
- CHANGE GRAPHICS AND SIGNAGE WITHOUT SPECIAL GLUE, TAPE OR VELCRO®!

## SHOW N' CHANGE

The Show N' Change features the same write on/wipe off dry erase panels as the Show N' Write, coupled with tacky fabric panels instead of Velcro® receptive fabric panels. The attractive tacky fabric panels allow you to print your own paper graphics and attach them for disposable signage, or laminate your own graphics for reusable signage. The tacky fabric is aggressively sticky and can hold a variety of materials. It is guaranteed to be sticky for two years and is easily cleaned with just soap and water. Available in a 6' tabletop model.

COLORS AVAILABLE:

## PRESTO SEAMLESS

The Presto is a seamless three-panel tabletop display that features easy set-up, a lightweight plastic frame, and double-sided Velcro® receptive fabric panels. Simply unfold your Presto, fasten the header, attach your graphics and you're ready to go! The detachable header can be used on any of the three panels, and the seamless design gives your display a professional appearance. Available in three sizes. A halogen light is also available to accent Presto displays.

LECTERN BANNERS GIVE  
YOUR AUDIENCE A LASTING  
IMPRESSION OF YOUR  
COMPANY'S MESSAGE.

### LECTERN BANNERS

Form lasting impressions in the minds of your audience by displaying your company logo or message on an elegant satin lectern banner. Perfect for the regular speaker or presenter, the lectern banner is easily transported from one event to another and hangs easily from any speaker's podium. Your audience may not remember every detail of your presentation, but they are sure to recognize the image that was placed before them throughout your delivery. If your event is televised, taped or photographed, the lectern banner gives you the opportunity for repeat exposure even after your stage time has passed. The attractive polyester satin lectern banners are available in 3 sizes:

- SIZES:
- 24" T x 18" W
  - 30" T x 22" W
  - 42" T x 24" W

AN ALUMINUM FRAME GIVES THAT CLEAN, FINISHED LOOK TO A PRINTED GRAPHIC.

- GREAT FOR SIGNAGE, POSTERS, PHOTOS, P.O.P DISPLAYS AND MORE!
- ENGINEERED TO GIVE YOU PERFECTLY TIGHT CORNERS.

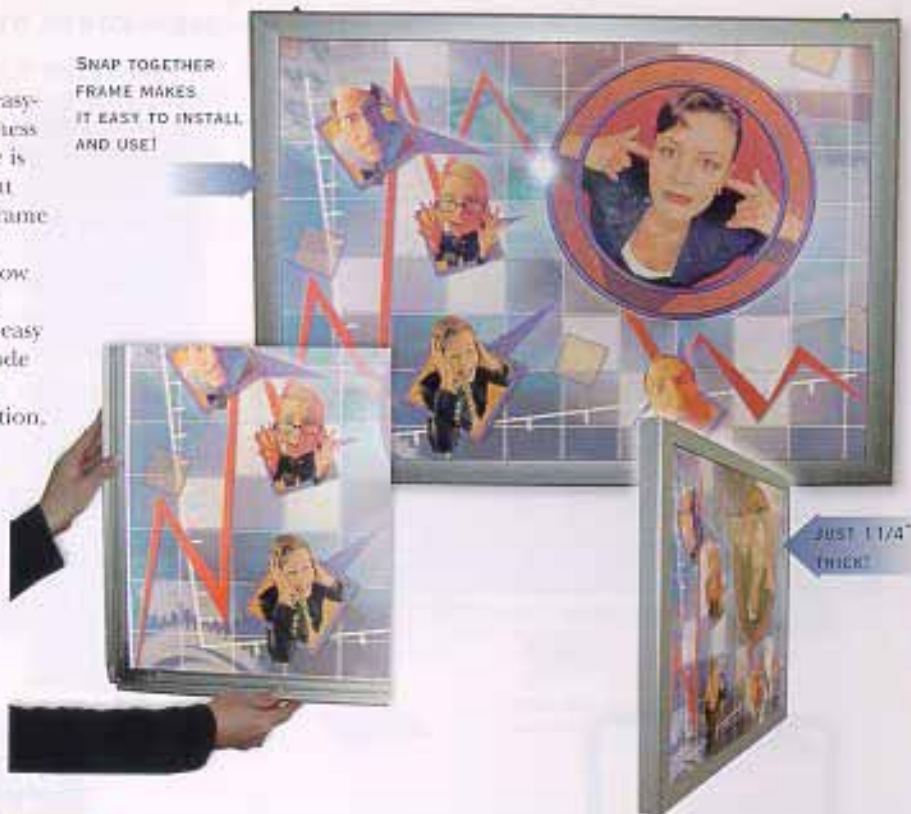

## ULTRA-THIN SNAP FRAME LIGHTBOX

The Snap Frame is a light, bright, easy-to-use signage option. With a thickness of just over 1 1/4", the Snap Frame is significantly thinner than other light boxes. That and its front-opening frame for easy graphic changes make it a great choice for tight POP, trade show or advertising applications. A snap-together aluminum frame makes it easy to install and use. And, a cold cathode fluorescent lamp not only gives the Snap Frame a bright, even illumination, but will last over 40,000 hours.

- VERY AFFORDABLE
- FRONT-LOADED GRAPHIC CHANGES
- JUST OVER 1 1/4" THICK - AS THIN AS A PICTURE HANGING ON THE WALL!

SIZES (GRAPHIC AREA):

SNAP TOGETHER FRAME MAKES IT EASY TO INSTALL AND USE!

JUST 1 1/4" THICK!

## INVISIBLE LIGHT BOX

A new concept in light boxes that combines a "Frameless" structure with a distinctive curved fascia. The benefits of the design are:

- WIDER VIEWING ANGLE KEEPING THE CUSTOMER'S FIELD OF VIEW MUCH LONGER IMPROVING EXPOSURE.
- NO VISIBLE FRAME, IT IS CONSTRUCTED SO THAT ALL YOU SEE IS THE "IMAGE DISPLAYED," NOT AN UNSIGHTLY BOX.
- "HALO EFFECT" A SMALL AMOUNT OF LIGHT FROM THE SIDE EDGES IS THROWN BACK AGAINST THE WALL PROVIDING A GLOW WHICH ENHANCES THE IMPACT.
- IMAGES ARE EASILY CHANGED WITHOUT REMOVING THE LIGHT BOX.
- NON-GLARE ACRYLIC OUTER FASCIA REDUCES GLARE.
- ALUMINUM CONSTRUCTION IS LIGHTWEIGHT YET DURABLE.
- KEYHOLE MOUNTING SLOTS FOR EASY INSTALLATION.
- ELECTRONIC BALLASTS ENSURE LONG LIFE AND COOL OPERATION.
- HIGH EFFICIENCY AND QUALITY/UL AND C-UL LISTED.

DRESSING UP MAIN STREET IS EASY TO DO WITH OUR BANNER BRACKET SYSTEM.

### BANNER BRACKET SYSTEM

This state-of-the-art system is designed to withstand the elements. The base is made of "RUST-FREE" cast aluminum with fiberglass arms. The fiberglass arms will flex in strong winds-transferring some of the wind load off the banner.

#### PRODUCT FEATURES:

- CAST ALUMINUM BASE WILL NOT RUST
- UNIQUE BASE DESIGN WILL FIT: SQUARE, ROUND OR MULTI-SIDED POLES
- A 1° CANT HAS BEEN ENGINEERED INTO THE BASE, TOP AND BOTTOM TO KEEP THE BANNER TIGHT
- FIBERGLASS ARMS FOR STRENGTH AND REDUCTION OF WIND LOAD ON THE BANNER
- STAINLESS STEEL BANDS FOR EASY INSTALLATION!
  - SINGLE SETS 24", 30", 36"
  - DOUBLE SETS 24", 30", 36"

SINGLE OR DOUBLE BANNER BRACKETS

### AVENUE FLAG BRACKET SYSTEM

A unique way of displaying the American flag with a seasonal or holiday banner. This set of hardware combines standard bracket system with a flag holder and bottom arm extender.

SPECIALLY DESIGNED BANNER ARM ALLOWS YOU TO INSERT AN AMERICAN FLAG AS PART OF YOUR BANNER DISPLAY.

### WIND DEFLECTOR BANNER BRACKET

The Wind Deflector Banner Bracket flexes when the wind blows to take the wind stress off the banner. Ideal for use in cities that require banner brackets that reduce the wind force on their light or utility poles. The clever spring system returns the banner back to its original position when the wind slows.

#### PRODUCT FEATURES:

- CHROME FINISH TO REDUCE RUST
- CAST ALUMINUM BASE WILL NOT RUST JUST LIKE OUR VERSATILE BANNER BRACKET BASE
- STRONG, RUST-PROOF FIBERGLASS ARM
- ALUMINUM BASE IS ENGINEERED WITH A 1° CANT TO KEEP THE BANNER UNDER CONSTANT TENSION AND TAUT
- EASY TO INSTALL

#### \*WIND DEFLECTOR BRACKET WORKS WITH OUR EXISTING VERSATILE BANNER BRACKET SYSTEM

- YOU CAN RETROFIT EXISTING BANNER BRACKETS INTO A WIND DEFLECTOR BRACKET IN JUST TWO EASY STEPS:
  - 1) REMOVE THE BANNER ARM FROM THE BRACKET BASE ON THE POLE.
  - 2) REINSTALL THE WIND DEFLECTOR ARM IN THE EXISTING BRACKET BASE.

CLEVER SPRING SYSTEM ALLOWS THE BANNER TO MOVE WITH THE WIND.

### WALL MOUNT BRACKET

A Vertical Wall Mount Bracket to install banners on walls and other flat surfaces. This bracket uses many of the components from our Boulevard Bracket System. Specify rod length when ordering.

- INCLUDES TOP AND BOTTOM BRACKETS
- SPECIFY ROD LENGTH: 18", 24", 30", 36"
